## **Woman Right to Chose – 7 reasons**

p3

Fully Free Films link <http://www.fullyfreefilms.com/>

What reasons would you give for/against abortion?

Is it okay to abort a baby? What would you say?

People give many reasons why abortion is an acceptable choice, including:

- The inconvenience of pregnancy
- Incompetence of parents
- Infant disabilities
- It's the woman's body
- It's not a baby
- Rape or incest
- She's not ready to be a parent

Watch as author and award-winning filmmaker Ray Comfort addresses these seven questions, reasoning with college students and people on the street about whether such objections are justified. Seeing those who are ardently pro-choice change their minds in moments is both compelling and convincing.
