Is God good? Then why suffering & evil ?

My experience is that this is the #1 question here in the USA

(This is a close to word for word copy of the video)

Assume – God is all powerful

God can do what is **Logically Possible.**

God the Creator – created

God will not do what is Logically Impossible.

Ex. a square circle or one ended stick or rock to big

God created human to be FREE (have freedom of choice).

If FREE- human can not be forced to obey.

Freedom with out choice is like a square circle

It is a Logical Contradiction

NO Choice = NO Freedom

God does not want robots - God wants real people

First human abused their awesome power of free choice.

results Tragic Consequences

BAD CHOICE = BAD RESULTS

GOD

Is responsible

For the

FACT

Of FREEDOM

HUMANS

Are responsible

For their

ACTS

Of FREEDOM

We do not suffer alone (Rom 8:38-39)

God will put an end to suffering & evil. ((Rev 21:4)

God became a man to suffer with us (Is 53:3)

God is Good - He wants real people.

WHO WILL YOU SERVE? Joshua 24:15

¹⁵ then choose for yourselves this day whom you will serve, whether the gods your forefathers, gods of your own mind gods in whose land you are living. But as for me and my household, we will serve the LORD."

YOU HAVE A CHOICE TO REPENT AND ACCEPT HIS FREE GIFT

OR CONTINUE AS YOU ARE (EPH 3: 8, 9,10)

"YOU WILL BE HELD ACCOUTABLE TO GOD FOR YOUR ACTS OF FREEDOM"
