

**Video # 5** continued **Movie 180 (means repent)** it is about **Value of Life.** P4 2021

**Today I use:** I ask people do they know about the '**Auschwitz attitude**'  
"We are having the same problem to today" "People do not value other's life".  
"Have you ever seen the YouTube **Movie 180.** Show them the card, explain as much as you need to about the movie covered below.\*

### **Auschwitz attitude**

This is a little harder point to make quickly or to get across. Aren't you glad you have the card.

"Most people today don't know what is going on. This is called the **Auschwitz attitude** and is proven in '**Movie 180**' (now on YouTube). People on the street where ask what they knew about Hitler. You will be stunned !!! "**180**" has been called a half hour of "video adrenaline," an "emotional rollercoaster," and "mind-blowing." this film delivers an unexpected, eye-opening look at todays controversy. Follow Alicia all the way thru see if she changes her mind.

Also, as you may know the citizens of Auschwitz, Germany told American soldiers they did not know what was going on in the Nazi camps. It is the "head in the sand" attitude too. However, it is very good for Christians and gets the non-christen attention to wake up.

Citizens of Auschwitz had to go see for themselves – TOO LATE *Give them the card*

\*How does this also relate to what is happen today? You can point out the fact that BLM & Antifa are based on the same Nazi & Marxism beliefs about mankind.

## PART TWO **Good enough to get to Heaven ?**

### **1) We are all going to die – "When You Die ..."**

**You say:** "If you die today – God says, "Why should I let you into heaven?"

**Or You say:** "What do you think happens after someone dies?

Do you think there is an afterlife?"

Most people will answer: "**Good enough**"

**They normally:** "I have tried to be a Good Person" or "I hope I've been good enough."

**You say:** "The greatest discovery I have ever made was -

"I am not good enough nor will I ever be good enough to get into heaven."

**Then you say:** "Have you read the story of 'Mr. Nice Guy'? (I was like him.)

"He thought he was so good he should get to the head of the Line."

" Then he had to take the test that God uses to see how good you are."

" I know (feel) you would you would like to read his brief story."

**Today I also use** Give the tract - "Are You a Good Person?" He had to take the test.
